

The logo for PepperDash, featuring the brand name in a white, cursive script font against a solid blue background.

Brand Standards

PepperDash provides an industry-leading AV Operations Platform, backed by world-class services, designed to solve the largest, most complex audiovisual and IT challenges around the world.

ACCEPTABLE USAGE

When referring to our company, only the following usages are acceptable:

- PepperDash
- PepperDash Technology Corporation

NOMENCLATURE

- PepperDash Technology Corporation should be reserved for formal usage.
- PepperDash should always be written with a capital P and a capital D.
- No other acronym, word, or word combination should be used.

CONSTRUCTION

- Our logo uses PepperDash Blue (#005294), White (#FFFFFF) or Black (#000000).
- The PepperDash Blue version is preferred.
- Our logo may not be stylized with gradients, outlines, shadows, or other adornment.
- Our logo should appear on solid (or nearly solid) backgrounds.
- Our logo may not be cropped, or covered by other elements.
- There must be a 3:1 contrast ratio between the logo and the background.
- Our logo may be accompanied by the tagline “AV Solutions for the Enterprise.”
- Our logo must be separated from other graphical elements by no less than the height of the a in PepperDash.

MARGINS

~~PepperDash®~~

Do not place the logo on top of graphical elements.

PepperDash®

Do use adequate margins between the logo and graphics by separating the logo with a colored field.

TAG LINE

The default PepperDash tag line is:

AV solutions for the enterprise

- AV is capitalized with no other capital letters.
- There is no period at the end unless the tagline is part of a larger body of text.
- No variation on this tagline should be used for any purpose.

COLOR PALETTE

There are three primary colors used by PepperDash to reinforce our brand. The PepperDash logo must be rendered as one of these colors, and may not be depicted in any other color. We encourage the use of these colors in other aspects of overall design.

SWATCH	HEX	RGB	HSB	CMYK
	005294	0, 82, 148	207, 100, 58	99, 75, 13, 2

PRODUCT ICONS

PepperDash has developed multiple products. Each one is represented by an icon. These icons should appear in PepperDash Blue, White, or Black, just as the PepperDash logo does. The same guidelines for treatment of the PepperDash logo should be employed when using the product logos.
